United Way of Tri-County Day of Action

Food Drive – Sept. 15, 2010

www.uwotc.org

The United Way of Tri-County will hold a multi-location food drive on Wednesday, September 15, 2010. The food drive will serve as a kick-off to the annual United Way campaign in area businesses. The food drive will also supply local food pantries with much needed supplies.

Area businesses will be collecting food at their workplaces and then creating a sculpture with what they've collected. Volunteers will help transport food from the businesses to local food pantries.

Community members are welcome to bring their donations to the United Way Distribution Center, 111 Milk Street, Westborough, MA 01581.

We need Community Volunteers! Contact us: 508.370.4834 or allan.ebeling@uwotc.org
